rubber journal index

Items listed in this index include an indication of the type of article in which they originally appeared. The abbreviations used, and their meanings are as follows:

AL — American Letter
Art — Article
Aut — Author
BR — Book review
ETR — European Technology Review
Focus — Focus
Illus — Illustration
IRI — Institution of the Rubber Industry
PP — People and Places
PS — Patent specifications
Pub — Publication
RR — RAPRA Report
SM — Standards Month
ST — Standards and Testing
VR — Views and Reviews
